```

Password

Default Password:

01062026

You can change the password inside `script.js`.

Personal Information

- **Created By:** Aditya
- **For:** Shruti
- **Relationship Date:** 1 June 2026
- **Song:** Shamat

Adding Your Photos

1. Open the `assets/images` folder.
2. Replace the placeholder files with your own photos.
3. Keep the same filenames:

photo1.jpg
photo2.jpg

...
photo16.jpg

Adding Music

Place your music file inside:

assets/music/

Example:

shamat.mp3

Run the Website

Simply open:

index.html

in your web browser.

Or use the VS Code **Live Server** extension for the best experience.

Deploy Online

You can host this website for free using:

- GitHub Pages
 - Netlify
 - Vercel
-

Love Message

"Every day with you feels like a beautiful dream. Thank you for filling my life with happiness, laughter, and endless love. No matter what happens, I'll always choose you."

Forever Yours,

Aditya ❤️ Shruti
